

MEMORIAL PARK REDEVELOPMENT

The Shire has the opportunity to apply for grant funding for a project that has an economic benefit to the town. Council has carefully considered a number of projects that represent the most likely opportunity to secure grant funding, and are now calling for comment on the draft concept plan for the re-development of Memorial Park.

This project was chosen due to the specific alignment with grant outcomes and the positive impact increased activation of the park would have on local businesses. Detailed information is attached to the Shire News, along with your opportunity for comment.
