RECYCLING DATES

14 July and 28 July

In March the Shire advertised opportunities to have your say about the future use of the Town Hall. Unfortunately the Coronavirus (COVID-19) pandemic peaked immediately after advertising and resulted in the cancellation of non-essential gatherings.

The Shire is now revisiting the community workshops for the Town Hall to maximise opportunities to activate the civic heart of our community.

Two community workshops will be available, and discussion will be facilitated by a consultant. Outcomes from these workshops will be reported back to Council for a decision to be made in August - September 2020.

Session 1

Wednesday, 29th July
10am - 12.30pm
Pingelly Town Hall

Session 2

Wednesday, 29th July
5.30pm - 8pm
Pingelly Town Hall

RSVPs and Enquiries

To RSVP for the community workshops, contact Sam Kempton, Community Development Officer, on cdo@pingelly.wa.gov.au or 9887 1066 or to secure your place.

If you would like any further information about the Town Hall Project, please contact Julie Burton at ceo@pingelly.wa.gov.au or 9887 1066.

PROPOSED PLANNING REFORMS

The proposed planning reforms that the State Government are considering to ease the development application process have not yet been implemented. The building work mentioned in these proposed reforms including minor extensions, patios, carports, shade sails and pergolas, do not require planning consent within the Shire of Pingelly, so there will be no changes for these items, however, it is important to note::

- This does not give an exemption for applying for a building permit.
- Planning consent and a building permit are two different entities and Applications for Building Permits are still required for all building work within the Shire of Pingelly except for a few minor exemptions.

If you are uncertain of the requirements please do not hesitate to contact the Shire Office for any information.

DO WE HAVE YOUR CURRENT POSTAL ADDRESS?

We can't control what happens to us, but we can choose how we respond

5 Avoid saying "must" or "should" to yourself today

6 Put a problem in perspective and see the bigger picture

7 Shift your mood by doing something you really enjoy

8 Get the basics right: eat well, exercise and go to bed on time

9 Help someone in need and notice how that gives you a boost too

10 Don't be so hard on yourself. It's ok not to be ok

11 Reach out to someone you trust and share your feelings with them

12 When things go wrong, be compassionate to yourself

13 Challenge negative thoughts. Find an alternative interpretation

14 Set yourself an achievable goal and make it happen

15 Go for a walk to clear your head when you feel overwhelmed

16 When things get tough, say to yourself "this too shall pass"

17 Write your worries down and save them for a specific 'worry time'

18 Let go of the small stuff and focus on the things that matter

19 Notice something positive to come out of a difficult situation

20 Ask yourself: What's the best thing that can happen?

21 If you can't change it, change the way you think about it

22 Make a list of 3 things that you can feel hopeful about

23 Remember that all feelings and situations pass in time

24 Choose to see something good about what has gone wrong

25 Notice when you are feeling judgemental and be kind instead

26 Get back in touch with a supportive friend and have a chat

27 Write down 3 things you're grateful for (even if today was hard)

28 Catch yourself over-reacting and take a deep breath

29 Think about what you can learn from a recent challenge

30 Ask for help from a loved one or colleague. Be specific

31 Remember that you are not alone. We all struggle at times
