

TOWN HALL PROJECT UPDATE

Last week the Shire recommenced the community conversation to unpack local ideas to inspire the future use of the Town Hall. With the help of residents, local businesses and community groups three key uses were explored, including education/ history, community, and tourism/economic purposes. Thankyou to members of the community who attended either the morning or evening session to share your insights!

Next steps

The ideas and feedback generated from the two workshops are now being compiled in a report for Council to have preliminary discussions. The report will also be available to the community with further opportunity to have your say.

As always, if you have any questions or queries about the Town Hall Project the Shire would love to hear from you! You can reach out over the phone 9887 1066, by email admin@pingelly.wa.gov.au or make an appointment with a staff member. Colour photos of the workshops are available to view from the Shire's website.
