## Community Grants 2019/20 CLOSE FRIDAY 29 MARCH 2019

This is an excellent opportunity for local community groups, clubs and organisations to secure some funding. All applications must be submitted to the Shire office by 29 March 2019 to be considered. Once all applications are assessed they will be put to Council for consideration in the 2019/20 financial budget. Once this process is completed you will be notified of the outcome in the form of a letter as per the Community Grant Scheme guidelines.

Please note the funding policy guidelines that if your application is successful Council's contribution will generally be limited to one third of the total project value up to \$5,000. Each application needs to outline matching in kind or matching funding to support your application.

**Grants are generally paid on submission of receipts and evidence of project completion. This may be varied by prior agreement with Council.**

For more information and application packages please contact the Community Club Development Officer, Kristel Steel on (08)9887 1066 or visit [www.pingelly.wa.gov.au](http://www.pingelly.wa.gov.au).

### Restricted Burning Period

The Prohibited Burning Period finished on 14 February 2019 and the Restricted Burning Period commenced.

### Restricted Burning Period

- 15 February to 29 March (inclusive).
- Permits to burn are required during this period.
- Contact a Fire Control Officer for your respective brigade to obtain the permit required.
- Permit conditions as per the Shire of Pingelly Bush Fire Control Order and must be followed.
- If there are no significant rain events before 29 March 2019 the Restricted Burning Period will be extended through to 12 April 2019. Permits to burn required during this period. Please be aware that due to the very dry conditions and the unpredictable windy days that we have had this season the issue of a burning may not be granted.

## Works Update

- The Parks and Gardens Team have been carrying out town maintenance.
- Review Street - backfilling of kerbing is almost complete. Some additional signage has been ordered as part of Main Roads review of the line marking plan. Line marking will be scheduled by Main Roads when contractors are available. Motorists are advised traffic management will be on site and to follow signage and speed limits set.
- Road reconstruction work on a section of York Williams Road between North Wandering Road and Ulbrich Road with clearing of overburden within the road reserve completed this week. Gravel carting will start next week to widen the road to a ten metre formation. Motorists are advised traffic management will be on site and to follow signage and speed limits set.
- Drainage maintenance has been carried out on Dwarlaking Road to repair a timber deck box culvert. Gravel was removed before geofabric material was placed over the timber to stop fine gravel material falling between the sleepers (see photos on last page).
- Maintenance grading has been carried out on Napping Pool, North Bannister and Overington Roads. The grader will then be moving to Jingaring Road next week.
- Traffic hazard signage has been erected on Aldersyde Road east of Powell Road to warn motorists of a road failure. Repairs will be carried out when a crew is available.
- The football goal posts have been put back up for the 2019 season.
- Soil has been trucked into the landfill to provide cover for the domestic rubbish.
- Maintenance work continuing on CEO residence, proposed date for internal painting is 2 April 2019.
- Road inspection and gravel sampling has been undertaken on Milton Road in preparation for gravel resheeting planned for July 2019. This work will be part of the proposed Regional Road Group (RRG) capital works program for 2019/20.
- The State Minister for Transport has announced funding for bike path projects this week and the Shire of Pingelly has been successful in a two-year proposed project subject to a final approval by Council.

# Wheatbelt Region parks and reserves

draft management plan

# 2019

## Invitation to comment

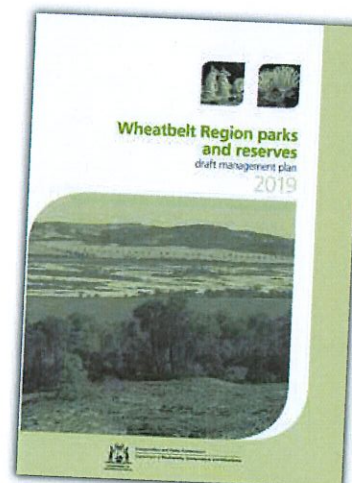

Have your say on how the parks and reserves of the Wheatbelt Region will be managed. The plan outlines how the values of parks and reserves will be protected and conserved, while at the same time encouraging people to enjoy these areas in a sustainable manner so that the values that attract visitors now are maintained for future generations.

The plan may be downloaded and submissions made at [pws.dbca.wa.gov.au/haveyoursay](http://pws.dbca.wa.gov.au/haveyoursay). Online submissions are preferred, however written submissions will also be accepted via post to:
