

THIS WEEKEND: PINGELLY COLOUR TRAIL!

Have you RSVP'd for Harmony Week in Pingelly? Create your own temporary streetart at the Community Workshop this weekend and help transform one block of Parade Street. The Pingelly Tourism Group and Friends of Pingelly Railway Station will be running a sausage sizzle fundraiser throughout the morning. For more information, see the 2020 Pingelly Colour Trail flyer attached to this week's Shire News. To RSVP, contact the Shire of Pingelly or Pingelly CRC.

DISABILITY AWARENESS FOCUS CONTINUES

Recently the Shire of Pingelly team in partnership with Forrest Personnel led Diversity, Access and Inclusion training for Local Governments in the southern Wheatbelt. The event attracted the attendance of local government staff from Brookton to Kojonup.

A second workshop facilitated by Forrest Personnel empowered representatives from local businesses and community groups with strategies to assist local people living with a disability to enter paid and voluntary roles. With 20% of the Pingelly population living with a health condition or disability, increasing workforce participation will improve the quality of life for someone you know in the community.

The Shire of Pingelly and Forrest Personnel would like to thank the Pingelly Community Resource Centre for catering the evening and providing the venue for this important conversation. These workshops were funded by the Lighthouse Project, delivered by LG Professionals WA. Funding for the Lighthouse Project is provided under the National Disability Insurance Scheme (NDIS) Information, Linkages and Capacity Building Stream and administrated by Department of Communities.

HAVE YOUR SAY: DISABILITY ACCESS AND INCLUSION PLAN REVIEW

The Shire of Pingelly's 2015-19 Disability, Access and Inclusion Plan (DAIP) is currently undergoing internal review to inform the 2020-24 DAIP. The DAIP sets out the Shire's commitment to shaping a welcoming and inclusive community. We need your help to identify opportunities to improve how people living with a disability access information, facilities and services within the Shire. For further information contact:

HAVE YOUR SAY: OUTDOOR GYM EQUIPMENT LOCATION

Suggestions from the community are invited for a location to install outdoor gym equipment acquired during a previous financial year.

The Shire has identified Pioneer Park as an ideal location, due to the central accessibility for all residents, the shade available, and to enhance recreation opportunities at the park.

There may however, be more appropriate places for this installation and we would like to hear your views! For further information contact:
