HOTHAM, Bryan is eligible to stand for election as a resident of the Shire of Pingelly.

My guide will be the Shires Strategic Plan Which Incorporates our Corp Business Plan, Community Plan, Community Well being Plan, and of Course the Long Term Financial Plan.

I will be using these Documents as my Policy for being an Open, Accountable, and Consistent Councillor. To Critically read the Agenda and to Evaluate Officers Reports.

I understand the Processors involved in Contributing to an Effective Council for the Betterment of this Community. I have a life long involvement in the District and in the last Decade I have Proved my Committment to this Community.

My family is grown and therefore I can Committ to this Council with Enethusiasm, Diligance and Tenacity
