WOOD, Peter is eligible to stand for election as a resident of the Shire of Pingelly.

My name is Peter Wood, and I have proudly called Pingelly home since 1976, when Catie and I moved here with Elders. After four years, we took over the Wesfarmers agency, running it for more than 30 years until 2009. That experience gave me a strong understanding of the road network and community infrastructure, while my travels outside Pingelly provided awareness of how similar Shires operate and ideas for our own community.

We raised our three daughters here and now enjoy time with our six grandchildren. I am a keen lawn bowler and life member of the Pingelly Bowling Club.

Since being elected to Council in 2016, I have thoroughly enjoyed contributing to the community. Now serving my third term, I remain committed to supporting President Jackie, CEO Andrew, and local residents, while helping guide development and shape future opportunities. After 49 years here, I value this community deeply and wish to continue serving it to the best of my ability.
