

**Profile (as it will appear in the election materials)**

## **HOWELL, Robert**

HOWELL, Robert is eligible to stand for election as a resident of the Shire of Pingelly.

My name is Robert Howell and I moved from Northam to Pingelly in 2022 with my wife Rennie and our three girls. Before moving to Pingelly and working as a support worker with the 'Staying in Place' program I worked in Medical Imaging as a Nuclear Medicine Technologist.

### My Core Values.

I believe people need the freedom and space to express themselves and live life with minimal intervention/interference from the government while maintaining respect for themselves and others.

I feel that Pingelly needs to remain a country town with a country feel. Waking to the sound of roosters in the morning. Fruit and veggies growing in the backyard. Knowing and caring about your neighbours.

Pingelly needs to maintain the larger block sizes – this is something that sets it apart from many country towns. We do not need smaller blocks with higher/denser buildings.

I support the Guiding Values of the Pingelly Community Action Plan.
