SPECIAL CONDITIONS FOR FIREBREAK EXEMPTIONS.

Fire Control Officers (FCOs) processing Applications for Firebreak Exemptions should be aware that:

- They may recommend Firebreak Exemptions for one, two or three year periods.
- Total exemptions from firebreaks should only be granted for properties in excess of ten (10) hectares if:
 - the owner resides on the property,
 - the owner has a serviceable fire fighting unit comprised of a minimum of: a 600 litre water tank, 15 metres of 19mm fire hose fitted with suitable fire nozzles and a 5hp regularly serviced and maintained motorised fire pump,
 - all equipment must be mounted on a vehicle, trailer, or skid mount, and
 - the fire unit must be located on the property at all times during the restricted & prohibited burning periods.
