My heart has always been in the country and living on the farm in East Pingelly with my husband Keith, I am proud to call Pingelly my home.

Candidate Name **Cameron Neilsen Samuels**

Ballot Paper Name **Samuels, Cameron**

Nominating for **Councillor**

Election Type **Ordinary**

My name is Cameron Samuels. I am 61 years old, married and work locally as a school teacher, volunteer in the Pingelly Fire Brigade and small business owner.

I believe by serving on your Council, I will have the chance to help to give back to our community.

As one of your representatives, my aim would be to help make the Shire better for all our futures.

What do you think we need? Do we do enough to for local business? Should we plant more trees for shade and to reduce salinity? Can we help people feel safer? What about our young people?

To be a good Councillor, I would listen, look at new ideas, work hard and be well organised to serve our community.

Please support me with your vote for Council on Saturday 16 October.
