

# Live and Local Music Project Working Group Expression of Interest

Would you like to shape the development of live local music in Pingelly?

We value your opinion and would like to hear your ideas on how to best activate local venues, parks and streetscapes to create opportunities for the local community to come together, as well as attract daytrip and weekend visitors to Pingelly. The Pingelly Live and Local Project Working Group is being established so that you can provide input into how the project can support new opportunities for community groups and businesses to program live music on an ongoing basis.

We value your opinion and would like to hear your ideas to shape this project and support Pingelly's social and economic recovery from COVID-19.
