GRADER / PLANT OPERATOR

Join the Shire of Pingelly Team

The Shire of Pingelly is seeking an experienced and safety-focused Grader / Plant Operator to join our Works Team and help maintain the road network and infrastructure that supports our community.

The Role

This is a hands-on position responsible for operating and maintaining a range of heavy plant and equipment, with a strong focus on grader operations. You will operate graders and other plant for road construction and maintenance, undertake gravel road maintenance, drainage and shoulder repairs, assist with road formation and resheeting, and conduct routine maintenance and safety inspections.

Your work will directly support safe transport, agricultural productivity and community connectivity across the Shire.

What We're Looking For

You'll bring experience operating graders and other civil construction plant, together with sound knowledge of unsealed road construction and maintenance. You take pride in quality workmanship, work safely and contribute positively to a team. A current HR Class Driver's Licence, relevant plant operating competencies and civil construction experience are highly regarded.

What We Offer

- Competitive Remuneration: Salary package negotiated based on your experience and qualifications
- Great Benefits: Up to 17% superannuation and ongoing training
- Meaningful Work: Your efforts directly improve Pingelly's road network and community connectivity
- Team Environment: Work alongside experienced staff in a supportive rural community

Get in Touch

Keen to learn more? Contact Mike Hudson, Executive Manager Works, on (08) 9887 1066 to discuss the role and what we're looking for.

How to Apply

Visit our website for the Position Description. Email your application to admin@pingelly.wa.gov.au with the following subject line: *'Confidential - Grader / Plant Operator Application'* alternatively, post or hand deliver your CV to the Shire office at 17 Queen Street, Pingelly.
