HAVE YOUR SAY: DRAFT TOURISM STRATEGY

The Shire of Pingelly, in partnership with the Pingelly Tourism Group, has drafted a Tourism Strategy based on the ideas and discussions captured from the community workshop held in June.

A whole of tourism sector approach was explored by considering five key focus areas that align the emerging opportunities within the capacity of our community. These focus areas include: Product and Experience Development, Partnerships, Infrastructure, Marketing and Promotion and Events.

The draft version of the Tourism Strategy is now available to view in-person at the Shire Office, or online from the Shire's website.

The opportunity to submit any further feedback or comments will be open until 22 September, enabling the Pingelly Tourism Group and Council to consider any proposed changes by October 2020.

With participation from local businesses, community groups and local residents, the Strategy reflects a whole of community approach.
