

HAVE YOUR SAY—SURVEY CLOSING SOON

A Community Perceptions Survey is currently being conducted to poll our community's current views on how the Shire of Pingelly is doing across all areas.

This Survey will assist the Shire in decision making; areas of focus and priorities for the community and to help develop the Community Strategic Plan which, when developed will guide the Shire of Pingelly over the next 4 years. As such, it is of highest importance that you have your say in the poll and tell us what you think we are doing well and where we need to focus in the future.

WHO IS THE STORYTELLER IN YOUR FAMILY?
