## BICWA WORKSHOP FOR COMMUNITY GROUPS

The Shire of Pingelly is very excited to be holding this upcoming workshop with Inclusion Solutions as part of the Building Inclusive Communities WA Project.

This is the perfect platform to learn how to connect with others in your community, challenge your ideas around volunteering, and find out how to best support the people in your club or group. This interactive and practical workshop is aimed at understanding the foundations of inclusion and how this can assist you in attracting talent & time to your community group, club, or business.

This workshop is open for all who wish to enhance the future of their club or group and attract volunteers and members in the process.

Want to be involved? Please contact the Community Development Officer Ellen Cook on 08 9887 1066 [ellen.cook@pingelly.wa.gov.au](mailto:ellen.cook@pingelly.wa.gov.au) for more information.

## PEOPLE OF PINGELLY PAST & PRESENT

The Shire has successfully applied for grant funding from the Commonwealth Government to record the living history of Pingelly by collecting and recording the Pingelly's stories—both past and present.

The aim of the project is to bring the community together through storytelling. This is the time tested method of transmitting lessons from one generation to the next. To do this, a facilitator will be engaged to find, research and record stories on video for perpetuity as well conducting public storytelling forums to revive this lost art. This will create connection to the history of Pingelly as well as across our community.

The Shire has appointed eueuphorium as an experienced consultant to research and record of 48 individual stories and hold events to recount these stories. If you are the storyteller in your family, or can recommend either a story or storyteller, eueuphorium will have a stall at the Mother's Day Markets and will host a consultation session on Friday 6 April 2022 at 3pm at the Shire Offices.

## SEE YOU AT THE MOTHER'S DAY MARKETS

The Shire of Pingelly is looking forward to being present at the Pingelly Tourism Groups Mother's Day Markets this Saturday 7th of May. The Shire of Pingelly will be holding a Market Day stall which will be run by our Shire councillors. This is the perfect opportunity for the Community of Pingelly to take part in our communications board as well as view all the exciting past and present projects the Shire of Pingelly is part taking in. To all the wonderful Mother's in Pingelly—Happy Mother's Day!!

## SAY HELLO TO THE NEW LONG VEHICLE PARKING BAY

Last week, teams worked tirelessly to erect the new kerbing in Quadrant Street, as well as new kerbing in Eliot Street, Pemberton Street and out front of the Pingelly Men's Shed.

The kerbing in Quadrant Street will help designate an area for long vehicles, especially caravans who find it difficult to park along the main street due to limited space. By installing this area, the Shire of Pingelly hopes to encourage those passing through to stop and experience Pingelly first hand, knowing they will securely and safely have an appropriate area to park their vehicles.

### SNAP SEND SOLVE

Report litter, potholes etc directly to the Shire on your phone through the app - Snap Send Solve. This app works across Australia and automatically delivers your report to the relevant Shire depending on your location.

Simply Snap a photo, Send the report and problem Solved!
