

MOTHER'S DAY MARKETS

Pingelly was once again graced with beautiful weather and a fabulous turn out of stalls at this years Mother's Day markets held by the Pingelly Tourism Group. Thank you to the PTG for yet another well orchestrated and attended event.

The Shire of Pingelly Councillors held a market stall to engage and gather feedback from the community. We were very grateful for the all who came visited the stall whilst participating in the selected questions of what you would like to see for Pingelly in the next 5 years. The feedback of the community is very important to us to ensure we are moving a positive and correct direction.

Euphorium was also present at the Mother's Day Markets and thoroughly enjoyed interacting with the people of Pingelly. Euphorium will be running the Pingelly Past and Present Project, ensuring the stories of Pingelly as captured and presented as an ongoing story time for the Pingelly community.

NEW MEMORIAL PARKS FIRST WEDDING

The New Memorial Park became a wedding venue on Saturday May 7, when Geraldine and Denis Cronin tied the knot in front of the rotunda which is situated in the middle of the park. The Memorial Park proved to be a beautiful place for a wedding, with the immaculate lawns and spacious areas in prime condition for such festivities. The Shire of Pingelly is excited to see the multi-use area live up to it's expectations as the park was originally redeveloped to provide an area for such events plus casual meetings, markets, school picnics plus much for.

On behalf of the Shire of Pingelly and the Shire Councillors, we wish Geraldine and Denis a life of happiness together. We are delighted you held your nuptials at the New Memorial Park grounds. The Memorial Park is available to be hired, please contact the Shire of Pingelly if you wish to obtain a permit for your next event.
