Summary

For Council to consider a Council policy for Elected Member and Employee Assistance.

Background

Historically LGIS (Local Government Insurance Scheme) have provided an EAP (Employee Assistance Program) to Shire staff. This program offered free and confidential assessments, short-term counseling, referrals, and follow-up services to employees who have personal and/or work-related problems. These services were provided online. This program was until recently included as part of the overall package provided by LGIS. However, this now has become an optional extra, providing the opportunity for the Shire to seek alternative providers and options.

Providing an EAP is standard practice for Local, State and Federal governments. An EAP assists employees at all levels of an organisation to better deal with personal, family and work-related concerns which may impact on their work life and job performance.

Comment

Most larger EAP providers operate mainly online, while the smaller providers rely on a smaller number of counsellors for a wide range of issues. In addition, the EAP providers charge both for the availability of the service regardless of use and also the provision of the service.

It is anticipated that uptake of the EAP service would be greater if the elected members and employees could choose their own provider. The draft Elected Member and Employee Assistance Policy proposes to allow elected members and employees to select their own counsellor which will specialise in their area of need or a counsellor which whom they feel comfortable. The elected member/employee will provide the policy and form to their selected counsellor and the counsellor will bill the Shire confidentiality.

In addition, payment will only be made to Councillors when the service is used.

Summary

This report reviews the Western Australian Local Government Association's (WALGA) current and proposed advocacy positions related to local government elections. The aim is to seek the Council's recommendation for WALGA's upcoming State Council Meeting in December 2024, following significant electoral reforms introduced by the local Government Amendment Act 2023.

The Council's decision will help shape WALGA's advocacy on critical electoral issues, such as voting methods, voter participation and the election of Mayor's and Presidents'.

Background

The *Local Government Amendment Act 2023* introduced a range of electoral reforms that came into effect prior to the 2023 Local Government ordinary elections. These reforms included:

- the introduction of Optional Preferential Voting (OPV);
- extending the election period to account for delays in postal services;
- changes to the publication of information about candidates;
- backfilling provisions for extraordinary vacancies after the 2023 election;
- public election of the Mayor or President for larger Local Governments;
- abolishing wards for smaller Local Governments; and
- aligning the size of councils with the size of populations of each Local Government (change to representation)

After the 2023 elections, WALGA conducted a review of five election cycles, focusing on postal elections managed by the WA Electoral Commission (WAEC). The report highlighted increasing costs and declining service quality. WALGA has asked the council to review and provide feedback on its advocacy positions to guide discussions at the State Council.

In response to requests from several Zones, WALGA undertook a comprehensive review and analysis of 5 ordinary election cycles up to and including the 2023 Local Government election against the backdrop of these legislative reforms. The review and report focused on postal elections conducted exclusively by the Western Australian Electoral Commission (WAEC), with the analysis finding evidence of the rising cost and a reduction in service of conducting Local Government elections in Western Australia.

Comment

The Elections Analysis Review and Report was presented to State Council 4 September 2024, with State Council supporting a review of WALGA's Local Government Elections Advocacy Positions.

WALGA is requesting Councils consider the current and alternative Elections Advocacy Positions and provide a response back to WALGA for the December 2024 State Council meeting. Council decisions are requested by Monday, 28 October 2024. Local Governments will also be able to provide feedback through the November round of Zone meetings.

WALGA has requested the following advocacy positions be considered by Councils:

1. PARTICIPATION
 - (a) The sector continues to support voluntary voting at Local Government elections.

OR
 - (b) The sector supports compulsory voting at Local Governments elections.

2. TERMS OF OFFICE
 - (a) The sector continues to support four-year terms with a two-year spill;

OR
 - (b) The sector supports four-year terms on an all in/all out basis.

3. VOTING METHODS
 - (a) The sector supports First Past the Post (FPTP) as the preferred voting method for general elections. If Optional Preferential Voting (OPV) remains as the primary method of voting, the sector supports the removal of the 'proportional' part of the voting method for general elections

OR
 - (b) The sector supports Optional Preferential Voting (OPV) as the preferred voting method for general elections.

4. INTERNAL ELECTIONS
 - (a) The sector supports First Past the Post (FPTP) as the preferred voting method for all internal elections.

OR
 - (b) The sector supports Optional Preferential Voting (OPV) as the preferred voting method for all internal elections.

5. VOTING ACCESSIBILITY
The sector supports the option to hold general elections through:
 - (c) Electronic voting; and/or
 - (c) Postal voting; and/or
 - (c) In-Person voting.

6. METHOD OF ELECTION OF MAYOR
The sector supports:
 - (c) As per the current legislation with no change – Class 1 and 2 local governments directly elect the Mayor or President (election by electors' method), with regulations preventing a change in this method.
 - (c) Return to previous legislated provisions – all classes of local governments can decide, by absolute majority, the method for electing their Mayor or President.
 - (c) Apply current provisions to all Bands of Local Governments – apply the election by electors' method to all classes of local governments.

In reviewing the current and proposed advocacy positions related to local government election framework, the following recommendations are proposed for consideration by council:

1. Participation:
The sector continues to support voluntary voting at Local Government elections. This approach encourages civic engagement while respecting individual choice.
2. Terms of Office:
The sector supports four-year terms with a two-year spill. This structure promotes stability and continuity in governance while allowing for regular opportunities for accountability.
3. Voting Methods:
The sector supports First Past the Post (FPTP) as the preferred voting method for general elections. Should Optional Preferential Voting (OPV) remain the primary method, it is recommended to remove the proportional aspect to simplify the process and enhance clarity for voters.
4. Internal Elections:
The sector supports First Past the Post (FPTP) as the preferred voting method for all internal elections. This method provides a straightforward and efficient approach to decision-making within local government bodies.
5. Voting Accessibility:
The sector supports the option to hold general elections through electronic voting, postal voting, and in-person voting. Offering multiple voting methods ensures inclusivity and accessibility for all constituents.
6. Method of Election of Mayor:
The sector supports returning to previous legislated provisions that allow all classes of local governments to decide, by absolute majority, the method for electing their Mayor or President. This flexibility enables local governments to tailor their electoral processes to best suit their communities.

These recommendations aim to enhance the democratic process, ensuring that local government elections are fair, accessible, and reflective of our community values. This also aligns with the current WALGA position statement. The recommendation to Council is to adopt these proposals as feedback to submit to WALGA for consideration.

Consultation

WALGA has undertaken extensive consultations with its Zones and member Councils, resulting in the proposed revisions to its Election Advocacy Positions. Councils are encouraged to review these provisions and submit formal feedback for consideration.

Statutory Environment

The Local Government Act 1995 and Local Government Amendment Act 2023 regulate the conduct of Local Government elections, including the introduction of OPV, changes to election periods, and other provisions that affect local electoral processes. WALGA's advocacy positions aim to influence future legislative amendments that could affect these statutory requirements.

Policy Implications

The review and feedback on WALGA's advocacy positions could shape future policy decisions related to local government election processes, including voting methods, terms of office, and the methods for electing Mayor's or Presidents.

Financial Implications

There are no financial implications evident at this time.

Strategic Implications

Business as usual.

Risk Implications

Risk:	Failure to provide input on WALGA’s advocacy positions may result in missed opportunities to influence legislative and procedural changes.		
Consequence Theme:	Possible	Impact:	Medium (6)
Consequence:	Changes in voting methods and election of Mayor’s/Presidents could create governance risks if not carefully considered.		
Likelihood Rating:	Unlikely	Risk Matrix:	Low (4)
Action Plan:	Provide feedback to WALGA by Monday, 28 October 2024, for the December 2024 State Council meeting.		

Voting Requirements:
Simple Majority required

Officers Recommendation:

The Shire of Pingelly recommends that WALGA adopt the following Local Government Election Advocacy Positions:

- 1. Participation: Council supports voluntary voting at local government elections;**
- 2. Terms of Office: Council supports four-year terms with two-year spill;**
- 3. Voting Methods: Council supports First Past the Post Voting for general local government elections;**

Summary

Council is requested to make the Shire of Pingelly Cat Local Law 2023 in line with neighbouring local governments and community consultation undertaken to date.

Background

Pet cats kill approximately 186 animals per year on average, including 110 native animals (40 reptiles, 38 birds and 32 mammals). This average includes pet cats which are contained. On average, an individual feral cat in the bush kills 748 reptiles, birds and mammals a year. Many of these animals are native animals. Foxes and cats killed more than 2.6 billion animals in Australia each year – Source www.abc.net.au/news/science/2022-03-16/cats-foxs-feralpests-native-wildlife/100902790

In Western Australia, 36 mammals, 22 bird and 11 reptile species are vulnerable to predation by both feral and pet cats and a wide range of other native animals are also adversely affected by cats. Australia-wide, cats have played a major role in the extinction of at least 27 mammal species and at present endanger 147 Australian mammals, birds, reptiles and frogs. Feral cats are recognised by the Environment and Invasives Committee as an extreme threat category for Australia (the highest threat).

The Cat Act 2011 requires cats to be desexed, microchipped and registered. In addition, it provides that a Cat Local Law may be made. Adjacent local governments including the Shires of Cuballing, Narrogin and Boddington have made a local law which has effect within their local government areas. These local laws combined with feral cat control have demonstrated an impact, as numbat numbers within Dryandra National Park have rebounded in recent years. However, it is estimated that there are fewer than 1,000 numbats left in the wild.

At the Ordinary Council Meeting of 19 July 2023, Council resolved the following:

That with respect to the draft Shire of Pingelly Cat Local Law 2023, Council, request the Chief Executive Officer to:

1. Modify the proposed Local Law to prohibit cats from public places unless under effective control;
2. Pursuant to section 3.12 (2) and (3) of the Local Government Act 1995, and all other legislation enabling it, give State wide and local public notice, inviting submissions during a minimum 6-week time frame, that it intends to make the following Shire of Pingelly Cat Local Law 2023:
Purpose – to encourage responsible cat ownership and to provide for the effective management of cats within the Shire of Pingelly.
Effect – ensure that persons who own or keep a cat within the Shire of Pingelly are to comply with the provisions of this local law.
3. Provide copies, in accordance with section 3.12 (3) of the Local Government Act 1995, to the Minister Local Government and any other person requesting it, of the proposed Local Law.

Following wide public consultation, At the Ordinary Council Meeting of 21 February 2024, Council resolved the following:

That Council:

1. Resolves to make the Shire of Pingelly Cat Local Law 2024, incorporating amendments arising from the advice of the Department of Local Government as per the attached document.
 2. Authorise the President and CEO to sign and affix the Common Seal to the Local Law;
 3. Authorise the CEO to –
 - a. Publish the Local Law in the Government Gazette and provide copies of the local law to the Minister for Local Government; and
 - b. Forward a copy of the Gazetted Local Law, explanatory memoranda and associated documentation to the Parliamentary Joint Standing Committee on Delegated Legislation for review.
- These actions have been completed.

The Parliamentary Joint Standing Committee on Delegated Legislation have now considered the gazetted local law and have determined that the modifications made at the request of the Department of Local Government were significant in nature so that the process should be recommenced. The Committee have requested undertakings by Council that this local law will not be enforced and that it will be repealed and replaced within 6 months.

Comment

The consultation undertaken indicated that the vast majority of ratepayers within the Shire of Pingelly support a Cat local law, including the containment of cats to their owner's property. The recommended process to achieve this is by adopting another local law by reference. This is possible under Clause 82 of the *Cat Act 2011* and Clause 3.8 of the *Local Government Act 1995*. It is highly possible that the Department of Local Government will recommend that these containment clauses are removed. It is also highly possible that the Parliamentary Joint Standing Committee on Delegated Legislation will request undertakings that such a local law is not enforced and that it will be repealed and replaced. However, considering the precedent set by the Shires of Narrogin and Northam which both have containment clauses within their local laws and the importance of this local law to the native fauna, officers recommend that a local law is made which includes a containment clause.

The local law is proposed to have the following effects:

- Cats not to create a nuisance.
- Prohibit cats public places
- Restrict the number of cats to 2 per property

This is in keeping with the feedback from the consultation undertaken.

Dear President

Shire of Pingelly Cats Local Law 2024

Thank you for the Explanatory Memorandum for this local law, which the Committee considered at its meeting today. The Committee resolved to write to you about the following matters.

Compliance with section 3.12(4) of the *Local Government Act 1995*

When scrutinising local laws, the Committee inquires whether a local law is within power (Committee Term of Reference 10.6(a)).

Section 3.12(4) of the *Local Government Act 1995* (Act) provides:

After the last day for submissions, the local government is to consider any submissions made and may make the local law as proposed or make a local law* that is not significantly different from what was proposed.*

** Absolute majority required.*

An adopted local law must not be significantly different from that proposed. Otherwise, it is invalid and the local law-making process must be undertaken again. Section 3.13 of the Act states:

Procedure where significant change in proposal

If during the procedure for making a proposed local law the local government decides to make a local law that would be significantly different from what it first proposed, the local government is to recommence the procedure.

A comparison of the proposed and adopted local laws reveals the following clauses where changes were made.

Legislative Council Committee Office
Level 1, 2 Parliament Place | West Perth
Postal address: Parliament House | 4 Harvest Terrace | West Perth WA 6005
Telephone: 08 9222 7300 | Email: delleg@parliament.wa.gov.au

Cats in prohibited areas

Clause 2.2(1) of the proposed local law stated:

Cats in prohibited areas

- (1) A cat shall not be in an area defined as bushland, regardless of land ownership or management, greater than 5,000m².

The term 'bushland' was defined in clause 1.4 as:

uncultivated land that is covered with trees, shrubs, or other natural vegetation whether native or not;

By virtue of clause 2.2(2) of the proposed local law, a contravention of clause 2.2(1) was an offence which attracted a modified penalty of \$250.

The adopted local law regulates cat prohibited areas differently. It states in clause 2.2(1):

Cats in prohibited areas

- (1) A cat must not be in any cat prohibited area as listed on Schedule 3.

Schedule 3 contains a list of 126 properties where cats are prohibited absolutely.

The definition of 'bushland' is not included in the adopted local law.

The Committee is of the view these changes made the adopted local law significantly different from the proposed local law that was publicly advertised, in breach of section 3.12(4) of the Act. Cat prohibited areas form a significant and integral part of the local law. This is because cat prohibited areas are a key method for managing cats under the *Cat Act 2011*. Further, prohibition of cats from public places has received significant media and other public commentary. Shire residents were not consulted on the change to cat prohibited areas prior to the adoption of the local law.

Accordingly, changing cat prohibited areas from bushland greater than 5000m² in the proposed local law to a list of properties in Schedule 3 of the adopted local law makes it 'significantly different'. It breaches sections 3.12(4) and 3.13 of the Act and infringes Term of Reference 10.6(a).

Typographical errors

Clause 3.10 – Duration of a permit

There is a grammatical error in clause 3.10(a). It states:

Duration of a permit

Unless otherwise specified in a condition on a permit, a permit commences on the date of issue and expires—

- (a) the cat is deceased;
- (b) if it is revoked; or
- (c) if the permit holder ceases to reside at the premises to which the permit relates.

The grammar in clause 3.10(a) should be corrected.

Schedule 2, item 3

There is an unnecessary full stop after the word 'Cat' in item 3 of Schedule 2.

Schedule 3, clause reference

Schedule 3 lists areas where cats are prohibited absolutely. The clause reference in the heading to Schedule 3 is to clause 2.3(1) of the local law which deals with interference with cat traps. The correct reference is to clause 2.2(1) which deals with cats in prohibited areas.

The incorrect clause reference in Schedule 3 should be amended.

Undertakings

The Committee requests the following undertakings:

1. Within 6 months, repeal the local law and make a new local law, complying with all requirements in section 3.12 of the *Local Government Act 1995* which does not contain the typographical errors identified in clause 3.10(a), Schedule 2 and Schedule 3.
2. The local law will not be enforced in a manner contrary to undertaking 1.
3. All consequential amendments arising from undertaking 1 will be made.
4. Where the local law is made publicly available by the Shire, whether in hard copy or electronic form, ensure that it is accompanied by a copy of the undertakings.

The undertakings should be given in the form of a letter signed by you as President, not the Chief Executive Officer or other officer of the Shire of Pingelly. This is because, pursuant to section 2.8(1)(d) of the Act, the 'Mayor or President speaks on behalf of the local government' to the Parliament of Western Australia.

Noting that your next Council meeting occurs on 18 September 2024, the Committee requests the undertakings be provided by **25 September 2024**.

To assist you I attach a suggested form of Council resolution to provide the undertakings.

Please also note that the fulfilment of the undertakings must be by making a local law that complies with all mandatory procedural steps contained in section 3.12 of the *Local Government Act 1995*.

Notice of Motion to Disallow

I advise that the Committee resolved to give a Notice of Motion in the Legislative Council to disallow the local law.

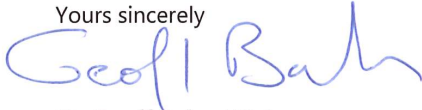

The reasons for giving notice are:

- to protect the Parliament's right to disallow the local law should the Committee recommend disallowance
- to provide the Committee with additional time to scrutinise the local law and, if necessary, obtain further information.

The giving of the notice should not be taken as indicating that the Committee has resolved to recommend disallowance at this stage.

Please provide your response by **25 September 2024**. If you have any queries in relation to this matter, please contact Ms Felicity Mackie, Advisory Officer (Legal) on 9222 7406 or at delleg@parliament.wa.gov.au

Yours sincerely

Suggested form of Council resolution to provide the undertakings

The Council of the Shire of Pingelly resolves to undertake to the Joint Standing Committee on Delegated Legislation that:

1. Within 6 months, repeal the local law and make a new local law, complying with all requirements in section 3.12 of the *Local Government Act 1995* which does not contain the typographical errors identified in clause 3.10(a), Schedule 2 and Schedule 3.
2. The local law will not be enforced in a manner contrary to undertaking 1.
3. All consequential amendments arising from undertaking 1 will be made.
4. Where the local law is made publicly available by the Shire, whether in hard copy or electronic form, ensure that it is accompanied by a copy of the undertakings.
