Pingelly: People and Progress

Closure of Pingelly Community Gym

Please note that the Pingelly Community Gym will close its doors on Sunday 30 June 2019. New memberships are currently only available on a weekly basis. The PRACC has a fully equipped gym and memberships are available by contacting the office on 9887 0092.

Appointments with Staff Members at the Shire

Whilst we are always happy for people to drop into the office we can't always guarantee the person you need to talk to will be available. To ensure we can deal with your enquiry it is best to call the office on 9887 1066 to arrange an appointment. This will ensure that the appropriate staff member is in the office and available to meet with you.

Shredded Paper

The Shire of Pingelly currently has bags of shredded paper available. If you are interested in collecting some please attend the Shire Administration building, 8.30am—4.30pm Monday to Friday to collect. This is offered on a first in first served basis.

Rates Incentives

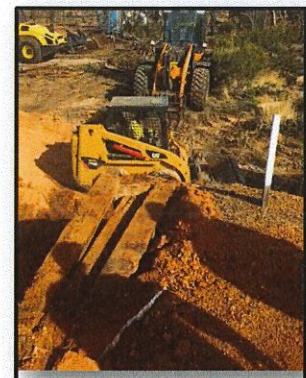

The Shire of Pingelly is seeking expressions of interests from local businesses to donate vouchers to be given to residents as an incentive to pay their rates on time. Those wishing to donate their vouchers will also have the opportunity to provide relevant advertising material to be sent out with the 2019/20 rates notices. Please contact Rebecca Billingham on (08)9887 1066 or sfo@pingelly.wa.gov.au for more information or to register your interest by Friday 14 June 2019.

- A grave was prepared for a funeral on Thursday.

- Minor building maintenance issues completed.
- Maintenance grading work has been carried out on Bettison, Marshall, Neamutin and started on Yenellin Road.
- Finalising the installation of the reticulation system for the new bowling greens at the PRACC has been progressing this week.
- The timber bridge structure at Bridge No 3097 on Bullaring Road has been removed (picture below). Earthworks for the base slab will be completed by Monday. Contractors will be setting up formwork for the base slab and are expecting to do the concrete pour on Friday the 31st of May. The project is scheduled for completion by mid-June. Motorists are advised the gravel side track is open and to follow signage and speed limits set. A lighting tower is being used to illuminate the site at night.
